**Why Belong to a Snowmobile Club?**  
Without the clubs there would be NO trails.  
• It is the responsibility of the snowmobile clubs to provide for trail easements, signing, brushing, grooming and other maintenance.  
**There's STRENGTH in numbers. Be one of those numbers!**  
• By joining a club you help to keep the sport strong! Clubs are your voice to Local, State and National officials.  
**Have Fun!**  
• Clubs have fun! They attend Club rides, hold events like Radar and Poker Runs. They raise money for charities and help with community projects.

Welcome to the more than 300 miles of expertly groomed trails in beautiful Rusk County. Everything you want in a snow blanketed northwoods winter trail wilderness is right here. Ride into our friendly county and experience the unparalleled splendor of the majestic Blue Hills north of Weyerhaeuser and Bruce in western Rusk County. And, while you're there, stop by one of the two heated warming shelters, both of which are featured on this map, where you'll find picnic tables and an ample supply of firewood. Or travel along historic rivers and under lush canopies of white pine boughs, bending under the weight of fresh snow in southern and northern Rusk County. Visit two warming shelters in northeastern Rusk County which are also featured on this map. And, don't forget to stop along the way at any number of our excellent supper clubs where you'll experience true northwoods hospitality. If you are looking for lodging, there are many number of resorts and hotels available throughout the area. There are several active snowmobile clubs who keep Rusk County's trails well marked and groomed throughout the season. For more information on snowmobiling Rusk County call 800-535-7875 or go to www.ruskcountywi.com
